Dear Mr. Merial: *John -*

On behalf of the Board of Trustees of The Wellness Community of Southwest Florida (TWC), our staff, and most importantly the increasing number of people affected by cancer and their loved ones who benefit from our programs, we would like to express our deepest appreciation for your contribution of \$1,500.00 to the 2007-2008 Annual Campaign of TWC.

Through your generosity, TWC is able to provide programs of hope, support and education to cancer patients and their loved ones. As you know, TWC programs have been expanding—TWC now receives over 1,600 visits every month by more than 400 individuals.

This year TWC's fundraising efforts are matched with the specific program(s) they make possible. Thereby, we are able to update donors on the programs they make possible. This year, proceeds from the 2007-2008 Annual Campaign will support the following free programs at TWC.

- Educational and networking sessions expected to serve **200** cancer patients and their loved ones.
- A weekly therapeutic support group for cancer patients and a weekly therapeutic support group for family members of cancer patients expected to serve over **50** individuals.
- A support group - *For Men Only* that meets every two weeks expected to help over **25** men.

Thus, the 2007-2008 Annual Campaign will generate funds to support over 500 hours of programming helping approximately **400** cancer patients and their loved ones gain knowledge, find hope and emotional support, and experience improved health during their cancer experience.

Thank you again for your generous support.

Sincerely,

*Sally Wright*

Board Chair
